

AGM & AWARDS CEREMONY

Wednesday, November 22, 2017

Edward Village, 50 East Valhalla Drive, Markham, ON L3R 0A3

Join us as we present the inaugural OBEC Rising Star award, and hear from our industry leaders, as we present the "OBEC all STARS". OBEC President, Marco Guzzo will update the membership on this year's activities at the Annual General Meeting and pass the gavel to incoming President, Ian Miller.

Program

8 am – 8:30 am **Registration/Breakfast**

8:30 am – 9:15 am **OBEC Annual General Meeting**

9:30 am – 10:45 am **Lessons from the Past...Good and Bad**

Speaker: Paul Sandori, Sandori Consulting

Paul has acted as expert witness or mediator/arbitrator in numerous lawsuits. In his presentation, he will focus on the design and construction choices that led to those or similar disputes.

10:45 am – 11:30 am **10 Years of Injustice**

Speaker: Gerry Genge, Arbitech Inc. & Pretium GRG Building Engineers

If you are called upon to act in the role of technical expert, you may find yourself embroiled in assignments that become complicated by the administrative and legal process. The costs to survive the ordeal involved far more than the cost to repair. Jerry will tell the true story of a small claim concerning how the owners of a small home with a faulty building envelope system were forced to live through a mediated partial settlement and partial repair, a second legal action against the owner's first of two lawyers, a trial within a trial before a jury, a judge that was out of control, and an appeal and cross appeal to the Ontario Court of Appeal to eventually come out a winner.

11:30 pm – 12:15 pm **Building Science: It's All About You**

Speaker: Kim Pressnail, University of Toronto

Does the world seem different when you look at it through "building science eyes"? Join Kim Pressnail as he explores our everyday world seen through a building science lens. There are surprising insights to be gained from this approach – it changes not only how you see the world but also how you see building science, and the take-aways in terms of practical applications can be both important and useful.

12:15 pm – 1:30 pm **Lunch and Awards Presentation**

OBEC all STARS

REGISTRATION FORM

BSSO Members receive 3 ConEd credits | OAA Members 3 ConEd Credits

Mr. Ms. Mrs. Dr. Prof. Other: _____
