

CANADA

THE BUILDINGS SHOW

November 28 to 30, 2018
Toronto, Ontario

Get ready for some big changes in 2018 as STONEX Canada relocates with World of Concrete Toronto Pavilion and HomeBuilder & Renovator Expo in the North Building and Construct Canada and PM Expo expand in the South Building of the Metro Toronto Convention Centre. The enhanced show will provide an immersive and unique experience through larger-than-life, dynamic exhibits, thought-provoking educational discussions, and innovative product showcases including the new Discovery District and live demonstration areas.

THE CANADIAN CONCRETE EXPO

Toronto, Ontario
February 6 to 7, 2019

Canadian Concrete Expo (CCE) is an industry-only trade show that features over 250 exhibiting companies on 200,000 square feet of exhibit space. CCE creates commerce, partnerships, education, face-to-face meetings with exhibitors and on-site product comparisons to an attending national audience representing Canada's \$8 billion per year concrete industry.
